CALL FOR PAPERS

An abstract of presentation (two pages of A5 148 mm × 210 mm sheet) is to be prepared as a MS Word document with Equation Editor or Math Type for formulae preparation, 15 mm margins, 0.75 cm indentation, one-spaced. Please, use the Journal type font.

The page layout

- ❖ Title of the presentation (10 pt, **BOLD**, center)
- ❖ Author(s)'s first name and second name (10 pt, **bold**, center)
- ❖ Affiliation(s) including full mailing address (9 pt, *Italic*, center)
- ❖ Main text (10 pt)
- ❖ References enumerated and arranged in alphabetic order (9 pt, authors' names should be given in *Italics*)

The foregoing parts should be separated by one blank line. Figures should be presented using the original editor; figure explanations should be in the main text. Tables should be formatted using Word 6.0/7.0/97/2000. Each table should have a caption (Table #, 10 pt, **bold**, *Italic*). Tables should be separated from the text by one blank line.

Equation Editor Parameters

Style: text, function, number – Journal; variable – Journal, *Italic*, symbol – Symbol; matrix-vector – Journal, **bold**.

Size: ordinary – 10 pt, large index – 8 pt, small index – 6 pt, symbol – 15 pt, symbol index – 10 pt.

IX International Conference on Mathematical Problems of Mechanics of Nonhomogeneous Structures

September 15 – 19, 2014

L'viv, Ukraine

First Announcement

The Pidstryhach Institute for Applied Problems of Mechanics and Mathematics of NASU and Ivan Franko National University of L'viv organize

**IX International Conference
on Mathematical Problems of Mechanics
of Nonhomogeneous Structures**

September 15 – 19, 2014

Scientific Program

The Conference will comprise plenary lectures, oral presentations, and poster sessions. It covers a wide spectrum of subjects related to the following topics:

- 1. Mathematical Modeling in Mechanics of Deformable Solids.**
- 2. Mathematical Methods of Mechanics and Thermomechanics.**
- 3. Mechanics of Nonhomogeneous Solids and Nanomechanics.**
- 4. Mechanics of Contact Interaction, Solids with Cracks and Thin Inclusions.**
- 5. Dynamic Problems of Mechanics of Nonhomogeneous Structures.**
- 6. Optimization and Design of Structure Elements and Biomechanic Systems.**

Official Languages of the Conference will be Ukrainian, Russian and English.

For attendance and publication in the Conference Proceedings, it is required to:

– submit the completed registration form to the Organizing Committee address or register on the conference website (**March 20, 2014**).

– submit an abstract of presentation to the Organizing Committee address for publication in the Conference Proceedings book (**June 15, 2014**).

REGISTRATION FEE

The Second Announcement will include the bank account for paying the registration fee:

150 EUR for regular participants and

70 EUR for accompanying persons, young scientists (under age 35), and PhD students.

Attention! Young scientists and PhD students should provide a confirmation of their age or status at the conference desk.

The registration fee covers the organization expenses, the Conference Program and Proceedings, social events, coffee breaks, and reception.
